oration. Mr J H Giles. Mr Tate again brought
the case of Mr J H Giles before
the members present. He mentioned
that although Mr Giles had
benefited considerably from the
treatment undergone he was
still practically an invalid, and
was unable to follow his
occupation with the corporation
at Port Pine. Consequently

Donation. Mr. Gyles. — Having no private means he was having a very hard struggle financially and he asked whether the Association would be able to assist him in the same way as last year.

Members generally expressed sympathy with Mr. Gyles but pointed out that the Association was not in a strong financial position.

Mr. Snow moved and Mr. Jeffers seconded that the matter be left to the Committee to deal with but this motion was subsequently withdrawn.

Mr. Shafford moved that a sum of £20 be donated Mr. Gyles, seconded by Mr. Tate and carried.
Increase in Subscription.

The Chairman emphasised the fact that the finances of the Association were not as

strong as should be the case
mainly due to donation to Mr
Lyle and the amount taken
from the funds to square the
difference between the Subscriptions
received and the cost of
erecting Stone and Railing over
the grave of the late Mr. Knutson.
Mr. W. H. H. moved that the
Subscriptions be raised 50%
making the Annual Subscription
7/6
Mr. Ralph and carried.

Mr. Hodge moved that an
honorarium of \$15.150 be made
to the Secretary. Sec. Mr. Gwynne + comm.
