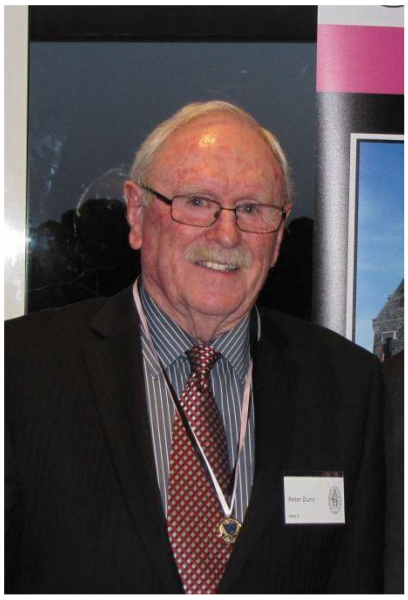
University of Adelaide Alumni Fellow Honour

Peter Dunn

(Roseworthy Diploma in Agriculture - 1956)



Hon H.P.K Dunn (Peter Dunn) was a member of the ROCA Committee on various occasions for a total of 16 years between the years of 1990 and 2010.

Having a home base at Rudall on Eyre Peninsula and being President of the Legislative Council in the SA Parliament didn't deter him from actively engaging in all ROCA matters.

He served as ROCA President in 1992/1993 and 1993/1994.

However Peter Dunn's primary commitment was to represent the far-flung and often isolated ROCA members located on South Australia's Eyre Peninsula.

At the time, the Eyre Peninsula Branch of ROCA was the most active in the state and Peter Dunn did a commendable job of keeping it informed and represented.

As the owner of a small Cessna aircraft, Peter Dunn often ferried ROCA Committee Members from Adelaide to attend ROCA's annual E.P. Reunion Dinner.

Peter Dunn was honoured with the ROCA Award of Merit in 2014.
