Mark Rodda

(Bachelor of Agricultural Business - 1996)

Mark Rodda served on the ROCA Committee for a total of twelve years in two stages. The initial two-year stage from 1995 to 1996 was as a representative of newly graduated students.

He then returned to membership of the ROCA Committee in 2014, immediately taking up the position of ROCA President which he held for two years. Following that, Mark Rodda fulfilled the role of ROCA Treasurer on four occasions and ROCA Secretary for one year.

During his time on the ROCA Committee, Mark Rodda actively pursued corporate sponsorship, ensuring a solid financial basis for the Association.

With his professional background in business management, Mark Rodda also organised private fundraising activities to support the offering of new student scholarships and bursaries by ROCA and the *"Roseworthy Campus and Student Fund".*

There can be no doubt that Mark Rodda's personal abilities enhanced ROCA's ability to access external funds for the benefit of Roseworthy students.
