

Roseworthy Campus Association Inc - ROCA

HONORARY LIFE MEMBER

Harry Stephen

(Roseworthy Diploma in Agriculture – 1948)

Meritorious service to ROCA and Roseworthy Agricultural College

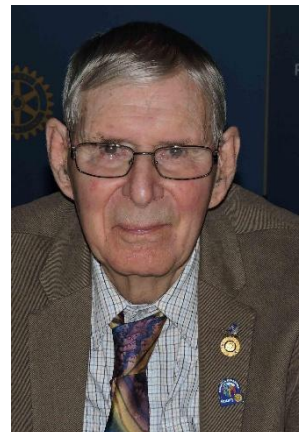

Inducted as ROCA Honorary Life Member - 1969

Harry Stephen was elected an Honorary Life Member of the Roseworthy Old Collegians Association at the Association's Annual General Meeting held on 6th September 1969.

Following graduation from Roseworthy Agricultural College with a Diploma in Agriculture in 1948, Harry Stephen became a committee member of ROCA in 1951.

He was honoured with ROCA Honorary Life Membership on the basis of:

- Being a person who had helped to shape the destiny of ROCA for almost half of its history;
- Facilitating ROCA business through having very close links with Roseworthy Agricultural College. Upon graduation in 1948, he was employed as a sheep cadet at the College, followed by a very long period on the College staff as lecturer in Poultry Management;
- Working extremely actively during some of the most important periods of the ROCA's history, including fund raising and erection of the Soldiers' Memorial Chapel at the College during the 1950s;

At the time of his retirement from the ROCA Committee in 2007, Harry Stephen had served for a continuous period of 57 years. During this period, Harry Stephen served ROCA in many ways, including terms as President, Secretary, Treasurer and Committee-person. His terms as President were 1967-68, 1984-85 and 1985-86.

As a student and staff member, Harry Stephen and his family lived onsite at Roseworthy College, promoting the ethos of ROCA membership to current students and past graduates alike.

In his latter career, Harry Stephen left his role as head of the poultry group at Roseworthy Agricultural College to become employed as a Poultry Adviser with the S.A. Department of Primary Industries, based at Murray Bridge.

Harry Stephen passed away in 2019.
