MARCH SOCIAL.

Our March social was held at Ware's Exchanga Hotel on Friday evening, the 3rd (show week). Mr. J. Wallace Sandford presided over a moderate attendance. The meeting was of a social character, and a welcome of old students was extended to Professor Angus. Mr. A. G. Pritchard moved "That the best thanks of the Association be extended to Mr. T. E. Yelland for the services rendered during his term of office as a member of the Council of Agriculture." This was seconded by Mr. C. F. Heyne and carried unanimously, general regret being expressed at Mr. Yelland's resignation from the Council. Professor Angus in a short address gave some particulars of experiments he wished to see carried out in S.A., and expressed strong appreciation of the cordial reception he had received by the farmers of this State.
