Farewell Dinner to His Excellency.
Mr Colebatch explained that there was a proposal to tender a farewell dinner to His Excellency during March Show week and

that on behalf of the Association he had given the assurance that it would be represented at that gathering.

Mr Robson moved that Mr Coleclaleh's action be endorsed. Sec. Mr Motteram "The Student". The present arrangement with regard to the magazine is for the Association to pay for one issue in every three, the Students of the College paying the other two. Mr Coleclaleh (Principal) explained that owing to the very high cost of printing he had had to curtail the issues to two a year and even with advertisements and charging Students 2/- a copy the return would not be sufficient to cover expenses.

It was agreed that the Association would support him in approaching the Ministers with a view to the Government paying a third, the Association a third and the Students a third of each issue

The audited Balance Sheet for year ending September 6th 1921 was passed.
