Minutes of meeting of Subj-committee dealing with question of Instituting a Scholarship for R.A.C. in connection with the Association.

Present Mr Kolebatch (Chair) Messrs Snook & Scott

Apology from the President.

A Statement of the financial position was presented by the Secretary showing that at the proposed increase of subscription the additional revenue would not be sufficient to defray the annual expense of a scholarship. It was resolved to ~~recommend to~~ report to the General Committee that it was unable to recommend that steps be taken for the establishment of a scholarship as such would involve a 100% increase in the Annual Subscription.

Mr Snook intimated that he would move at the next general meeting of Old Students that the Annual Subscription be raised to 10/- with

a view to the establishment of a scholarship in the interests of members of Old Collegians Assoc.
