BUSINESS

- Interview applicant for Roseworthy Old Collegians' Scholarship.

Mr. McKeechie in opening the meeting indicated that the purpose of the Scholarship was primarily to assist sons of Old Students or their relatives who were in needy circumstances and needed financial assistance for a course at the College.

The applicant was James Sobels a son of W.T. Sobels an Old Student.

During the interview the applicant showed that he was a sound type of lad in character and academic qualifications and would be a suitable applicant on these grounds.

He intimated during the interview that finance was no obligation and it was resolved that in such circumstances the Scholarship would not be awarded for the 1953 Scholastic Year.

Dr. McCulloch then asked that as financial status was not stressed in the Rules of the Scholarship that some suitable clause be recommended by the Committee of the Association. This Clause to be put before the next Annual General Meeting as an amendment to the Rules.

Carried.

Meeting closed 8.30 pm.
