Business from Minutes:

- No letter had been sent re bridging courses. This to be attended to immediately.
- several members spoke on the need for conversion courses to upgrade 'inferior' qualifications to ensure that recent graduates are not disadvantaged in the work force. It is recognised that some employers consider the Graduate Diploma as equal to a Degree. members expressed concern that no special arrangements appear to be made offering for conversion to a Degree. it was suggested that a concentrated course of twelve weeks would be suitable for a recent graduate who would need to take time off from work. After discussion, Reg moved and Peter L. seconded that a letter to the College and to the Council request clarification on these matters. Carried.

Correspondence :

- Letter from John Potter, thanking for invitation to Dinner.
- Letter from David Suter, in appreciation of Award of Merit medal.
- Letter from Trevor Filmer, with cheque for Life Membership of R.O.C.A.
- Letter from Peter Lewis, with a copy of letter received from Hawkesbury College re accreditation of Degree courses. To be copied and circulated to all Committee prior to next meeting.

Eastick, President of College Council, in reply to Ian Rice's request to Mr Gilding and Dr Eastick to maintain a broad spectrum of theoretical and practical skills and knowledge of graduates from Roseworthy.
